

ATPF Sibling Support Group

Scavenger Hunt

* Take pictures of you and your sibling completing the tasks with your phone! You'll choose your three favorite pictures at the end of the scavenger hunt and tell us why they are your favorites! *

- Create a hopscotch pattern! Complete the hopscotch at least one time each!
- Find something that you could also find at the beach.
- Find something that begins with the same first letter of you and your siblings name.
- Using your chalk, draw a picture of your sibling!
- Find something that makes a noise, then return to the check-in area and describe the noise to Santana.
- Find one green leaf and one brown leaf.
- Find something that is your favorite color and your sibling's favorite color.
- Make a new ATPF friend! Return to the check-in area and share something you learned about your new friend with Santana.
- Find one smooth rock and one rough rock.
- Find something made of plastic.
- Look up and find a cloud you like; using your chalk try to copy the cloud's shape.
- Find an ATPF friend who has something in common with both you and your sibling. Return to Santana and share one thing you all have in common.
- Find somewhere to sit with your sibling. Please take a few moments to learn something new about them.
- Find something that smells nice.
